c/o Mayor Robert Sabonjian  
106 North Utica Street  
Waukegan, Illinois 60085

Dear Mayor Sabonjian

Mr. Paul Steadman, a technical representative of this Agency, inspected your refuse disposal facility located south of Yorkhouse Road and on the east side of McAree Road in Waukegan on July 15, 1976.

The inspection disclosed that you have satisfactorily closed and covered this facility.

Site problems relating to leachate, surface drainage or erosion that may develop in the future should be corrected promptly. Your attention is directed to Rule 313, Chapter 7 of the Illinois Pollution Control Board Rules and Regulations on Solid Waste, which is as follows:

Rule 313: Completion of Closure Requirements

- a. The owner or operator of a sanitary landfill site shall monitor gas, water, and settling at the completed site for a period of three years after the site is completed or closed.
- b. The owner or operator shall take whatever remedial action is necessary to abate any gas, water, or settling problems which appear during the three year period.
- c. The owner or operator shall, upon completion or closure, file a detailed description of the site, including a plat, with the appropriate county land recording authority for the county in which the site is located.

Your cooperation in this matter is appreciated. If this Agency can be of assistance to you at any time, please contact us.

One additional matter which requires prompt attention is the requirement for the implacement of some type of site access restriction.

Sincerely,

IN REPLY REFER TO: 09719011  
LAKE COUNTY - Land Pollution Control  
Waukegan/Municipal #2

Mr. R. G. Kramer  
City Engineer  
City of Waukegan  
Waukegan, Illinois 60085

Dear Mr. Kramer:

A reinspection of your property located just north of Sunset Avenue and east of Adelphi Street was made by Charles Grigalauski, representing this Agency on March 8, 1976.

The inspection disclosed that your site has been closed and covered in accordance with Chapter 7, of the Illinois Pollution Control Board Rules and Regulations on Solid Waste. Unless some special use of the site is intended, it is recommended that the final cover be seeded to prevent erosion.

We are requesting a reply to this letter which indicates final site closure plans within thirty (30) days of the date of this letter.

Sincerely,

William C. Child, Regional Supervisor  
Land Field Operations Section  
Division of Land/Noise Pollution Control
